

NOTICE OF PUBLIC MEETING

All interested persons are hereby given notice that the City of Midwest City, in cooperation with the Oklahoma Department of Transportation (ODOT) is planning the improvement of S.E. 15th Street, from Lynn Fry Boulevard to Anderson Road. A Public Meeting to discuss the project is scheduled for Thursday, June 3rd, 2010, in the Bomber Room at the Nick Harroz Community Center, 200 N. Midwest Boulevard, Midwest City, Oklahoma. The meeting will be held at 6:30 p.m.

S.E. 15th Street is currently a two-lane road in this segment. Two lanes are inadequate for current and future traffic requirements. The City of Midwest City and ODOT propose to reconstruct this segment of roadway to a four-lane facility.

The City of Midwest City and the Oklahoma Department of Transportation strive to accommodate the needs of all residents, including those who may be disabled. If you would like to attend this meeting but find it difficult because of a disability, architectural barrier, or another special need, please contact Tiana Douglas at (405) 627-0456.

Questions before the meeting may be directed to Ms. Douglas at the above number, or by writing her at Triad Design Group, 3020 Northwest 149th Street, Oklahoma City, Oklahoma 73134.
